## Building a Foundation and Developing a Future

Founded in 2012, the Union Grove Youth Football Organization (UGYFO) is an organization dedicated to children in 1<sup>st</sup> through 8<sup>th</sup> grades who play youth football in the greater Union Grove area. In 2024, we anticipate UGYFO to have over 150 kids participate in our youth football program.

The success of the league depends on community support. The generous donations from local area companies have helped keep the cost relatively inexpensive when compared to other youth football programs in Southeastern Wisconsin. For his/her fee, each child receives the use of a helmet, shoulder pads, game jerseys, practice jerseys (which they get to keep), football pants with pads, and socks.

This year, UGYFO is working to raise funds to provide players with the use of new shoulder pads, as well as additional first-aid kits, storage equipment, and season-end awards for each player. UGYFO also uses donated funds to provide a limited number of sponsored registrations for those families in need.

We are working to give kids a positive experience, which will teach them many of the basics and prepare them for football at the next level. Your consideration for sponsoring our organization is greatly appreciated!

Please join us in supporting UGYFO by making a sponsorship to the club in one of four ways:
